PRAYERS

Christ the Vine Church has been experiencing some serious vandalism of late. Please pray for the building and for those who are committing these offences.

Summer ABC starts this week, and future sessions are on 17th, 24th and 31st August. (NOTE no ABC on 10th August) Please pray for the volunteers organising this annual outreach opportunity and for the children and parents/carers who will come to Christ the Vine during this time.

Tearfund are appealing for prayer and of course, financial support for the people of Zimbabwe as at last they have some political stability and the churches have the opportunity to provide the life-changing support that can help them escape poverty and change their lives for good. Please include them in your prayers.
